

Are you ready to take the next step to connect to your community?

**Then apply to *Community Leadership San Jose*
accepting applications until June 25**

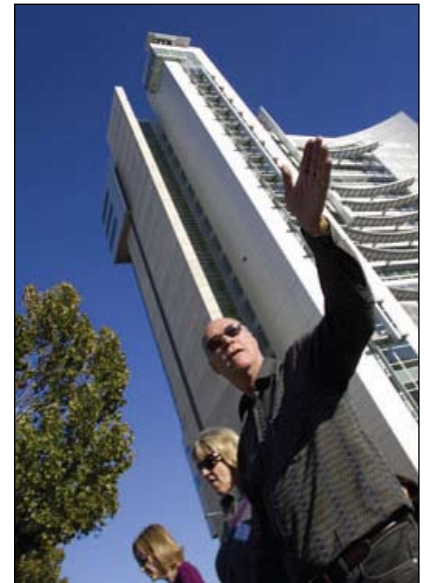

Community Leadership San Jose is a nine-month program that will open your eyes to places you never knew existed, to opportunities for getting involved you won't be able to resist and to friendships that will last a lifetime.

Community Leadership is an educational forum that includes:

- Guest speakers and access to the area's top decision-makers
- Development of leadership skills and strategies on how to get involved and give back
- Behind-the-scenes tours of key places around Silicon Valley
- Interaction with other community leaders in the class

After graduation, you'll become part of a network of more than 500 community leaders who are part of San Jose Leadership Council. The opportunities for growth and community involvement will continue well after graduation.

**Applications available at www.sjleadership.org
Deadline June 25**
